## ARRANGING FIXTURES; POSTPONEMENTS

Despite some improvement to the weather this week some games have not taken place owing to poor communications. All games must be confirmed, even when the home night is a fixed one. It is most important that voice to voice contact is achieved and the fixtures are confirmed by the Monday **preceding** the week of the scheduled fixture. Leaving a message by voicemail or email is OK so long as the receiver returns the message to confirm acceptance. **Postponements** should strictly only be because of an unfit ground.
